

# Textile printing machines and accessoires

Overview without prices 2020

**Manual Table-Top Printer for Caps**

Model: 0600901004

Model 4: 4-colour-printing

**Manual T-Shirt printer, model 4/4**

Model: 0600244

with 4 rotating screen holders, 4 rotating pallet holders, max. printing size 35 x 50 cm, complete with 8 wooden pallets in various sizes, max. screen size 60 x 70 cm.

**Manual T-Shirt Printer model MINITEX**

Model: 060121000

table-top model, for 1 colour printing, incl. 2 printing palettes. Ideal screen frame size: 50x60cm, profile 30x30mm

**Pallet holder without wooden pallet**

Model: 0600466100

**Wooden Pallet with Holder size 1 (26x52cm)**

Model: 0600466126

**Wooden Pallet with Holder size 2 (33x54cm)**

Model: 0600466133

for T-Shirt-Printer

**Wooden Pallet with Holder size 3 (42x62cm)**

Model: 0600466142

for T-Shirt-Printer

**Wooden Pallet with Holder size 4 (46x68cm)**

Model: 0600466146

for T-Shirt-Printer

**MDF wooden pallet without holder size 1 26 x 52 cm**

Model: 0600466226

**MDF wooden pallet without holder size 2 33 x 54 cm**

Model: 0600466233

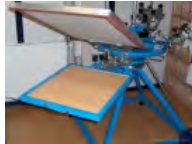

**MDF wooden pallet without holder size 3 42 x 62 cm**

Model: 0600466242

**MDF wooden pallet without holder size 4 46x68cm**

Model: 0600466246

**Jacket hold-down with aluminium plate 42x42 cm, per sleeve**

Model: 06004664242

**Vacuum Pallet for T-Shirt-Carousel SIEMAC T4, 50x70cm**

Model: 0600604401

with vacuum seal and reception for hub

**Pallet holder without wooden pallet for SIEMAC-T**

Model: 06006100

Accessories for SIEMAC-T4 /T6 / T8

**SIEMAC-T: Additional device for printing of caps**

Model: 06006120

with 1 changeable arm, suitable for SIEMAC T4 / T6 / T8

**Wooden Pallet with Holder size1 (26x52cm) f. SIEMAC T4/T6/T8**

Model: 060062126

Accessories for T-Shirt-Printer

**Wooden Pallet with Holder size2 (33x54cm) f. SIEMAC T4/T6/T8**

Model: 060062233

Accessories for T-Shirt-Printer

**Wooden Pallet with Holder size3 (42x62cm) f. SIEMAC T4/T6/T8**

Model: 060062342

Accessories for T-Shirt-Printer

**Wooden Pallet with Holder size4 (46x68cm) f. SIEMAC T4/T6/T8**

Model: 060062446

Accessories for T-Shirt-Printer

**Double-sleeve pallet 10,0 x 56,0 cm, rubber coated**

Model: 060071052

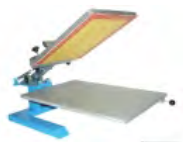

aluminium pallet for manual printer Anatol

**Vacuum Plate Workhorse VP1824**

Model: 060080441824

out of perspex, approx. 45x60cm, with 230V-vacuum pump and foot pedal

**Vacuum Pallet for Manual T-Shirt Printer MINITEX, 50x70cm**

Model: 06012100

Vacuum plate with hole area of 40x60cm, with vacuum slide

**Infrared Intermediate Dryer ACOS-Textflash-Sensor, 6000W**

Model: 06017064060S

Drying area: approx. 40x60cm, with 6infrared spots each 1000W, each separately switchable, incl. temperature sensor, 400V, 50Hz

electronically adjustable dryer with height-adjustable movable tripod, temperature adjustable in steps, incl. temperature-sensor for measuring the temperature directly on the textile, suitable for Plastisol and aqueous inks.

**Infrared Intermediate Dryer ACOS-Textflash-Evolution, 6000W**

Model: 06017065060EV

Drying area: approx. 60x40cm, with 6infrared spots each 1000W, each separately switchable, 400V, 50Hz.

electronically adjustable dryer with height-adjustable movable tripod, temperature adjustable in steps, for Plastisol and aqueous inks.

Bei Gebraucht- und Vorführgeräten bleibt der Zwischenverkauf vorbehalten.

**Infrared Intermediate Dryer ACOS-Textflash-Sensor, 9000W**

Model: 06017094060S

Drying area: approx. 40x60cm, with 9infrared spots each 1000W, each separately switchable, incl. temperature sensor, 400V, 50Hz

electronically adjustable dryer with height-adjustable movable tripod, temperature adjustable in steps, incl. temperature-sensor for measuring the temperature directly on the textile, suitable for Plastisol and aqueous inks.

**Infrared Intermediate Dryer ACOS-Water-Flash, 9000W**

Model: 060350904060WF

Drying area approx. 40x60cm, with 9infrared spots each 1000W, each separately switchable, equipped with 6ventilation fans, incl. temperature sensor, 400V, 50Hz.

electronically adjustable dryer with height-adjustable movable tripod, temperature adjustable in steps, incl. temperature-sensor for measuring the temperature directly on the textile, especially suitable for aqueous inks.

**STAHL'S Accessories: Hot Plates Cleaner**

Model: 40202-1000

**STAHL'S Accessories: Teflon Cover Sheet, ca. 49x46cm**

Model: 40203-4946

Protects the hot plate and prevents a vacuum between substrate and printing materials. very sturdy, dirt can be easily removed, does not absorb sublimation colours, achieved a lightly glossy finish and smoothly surface texture.
